Alliance Partner	Logo	Partner Focus
Brainbabe		Brainbabe • The “#brainbabe” leadership platform and non-profit brainbabe.org was born out of frustration that “booth babes” still exist. Calling a person a #brainbabe isn’t about calling them a “babe,” or about how someone looks. It’s about pushing back on the technology community to look at why we still have “booth babes,” and supporting necessary changes to better attract and utilize women in cyber security. For the few of you who don’t like the name—we will change it when booth babes no longer exist! POCs: Deidre Diamond, Lisa Kendall
Carnegie Mellon University - Heinz College		Carnegie Mellon University’s H. John Heinz III College • faculty from our two schools -- the School of Public Policy and Management and the School of Information Systems and Management -- collaborate on instruction and research, an operating model we believe leads to innovation in research and a superior educational experience. Our strengths span the applied disciplines of empirical methods and statistics, economics, information systems and technology, operations research, and organizational behavior. Information security policy and cybersecurity programs are available. POC: Teresa Allison
(CISO) Innovation Shipyard Alliance		CISO Innovation Shipyard Alliance • an open forum for entrepreneurs and innovative technologies, the opportunity to learn or vet the cybersecurity ramifications of their industry and technology in front of security, risk, and privacy C-levels, while promoting students and emeritus cyber professionals’ involvement and educational opportunities in shaping these innovative technologies. POCs: Andrea Hoy, Nancy Bianco
CyberSN		CyberSN • Exists to dramatically decrease the frustration, time and cost associated with job searching for Cyber Security Professionals. POCs: Deidre Diamond, Lisa Kendall
EC-Council		EC-Council • officially incorporated as the International Council of E-Commerce Consultants was formed to create information security training and certification programs to help the very community our connected economy would rely on to save them from a devastating Cyber Attack. POC: Jessica Johnson
Edge of Yesterday		Edge of Yesterday • Make the Story Yours. Reaching Beyond the Edge of Yesterday. It's time to dream tomorrow into life. How? By sharing stories. Why? Sharing our stories allows us to dream, build and grow together. POC: Robin Stevens Payes
Girls Computing League		Girls Computing League • a nonprofit who aims to empower underrepresented groups in the technology workplace by fostering the interests of young women in computer science, data science, and technology. We specialize in teaching computer science, data science and information technology concepts to students in Northern Virginia and the Washington Metropolitan area. POC: Kavya Kopparapu
Girl Scouts Nation’s Capital		Girl Scouting • Builds girls of courage, confidence, and character, who make the world a better place. We're 2.6 million strong—1.8 million girls and 800,000 adults who believe in the power of every G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ to change the world. POCs: Lidia Soto-Harmon, Natalie Lorenz Anderson, Betsy Thurston, Colleen Cibula, Kathryn Benson, Page Yarborough, Mankaa Ngwa-Sug

Alliance Partner	Logo	Partner Focus
GMU MGTA / VSGI		<p>GMU MGTA & VSGI • offers cutting-edge game design research and development, simulation and game training and certification; visualization and simulation software development and rapid-prototyping. A business incubator, VSGI also provides access to leading commercialization and marketing channels; student development talent; research faculty; industry experts; mentors; business counseling support; and the potential of financial investment from foundations and equity partners. POCs: Olivia Blackmon, Vera Lichtenberg, Kamaljeet Sangher.</p>
Industrious		<p>INDUSTRIOUS • offers thoughtfully-designed workspace — complete with sun-drenched rooms, lush interiors, and best-in-class amenities — will support your most productive workday, every day. POC: Kevin Schafer, Community Manager</p>
